

Heritage Project Information

Step #3

Hello Parents!

Let's review the completed steps to the project.

Step 1: Select a heritage country and return form. **Done!**

Step 2: Bring a resource heritage book to school. **Done!**

At this point, the teachers and students are busy researching and writing their heritage country reports at school.

Now we are ready for the next step. It is as follows:

STEP #3: Create an ancestry doll along with flag of their heritage country

These are to be completed at home.

Attached to this letter are the directions for the ancestry doll and flag.

This would be a good time to share with your child their ancestry story. Our hope is that the children will appreciate hearing and learning about their heritage and ancestry from you and/or other family members.

The children will need to bring their completed ancestry doll and flag to school by _____. On this date, the children will share and present their ancestry dolls and flags (and maybe some of their ancestry stories) to their classmates.

On _____, we will send home the directions for the next step. Just a heads up, **you may want to purchase a full-sized tri-board very soon.** Tri-boards can be purchased at any arts/crafts stores (Michael's, Hobby Lobby). Both cardboard or foam board are acceptable.

Sincerely,
The Third Grade Teachers

Third Grade Heritage Project Ancestry Doll and Heritage Flag Requirements

Ancestry Doll Instructions:

You are to investigate costumes worn in your ancestor's native country and create a doll using the card stock form attached to this assignment. The doll may be decorated with fabric, paper, or any other materials. **DO NOT JUST COLOR THE DOLL.**

Here are examples of Heritage dolls:

Heritage Parade Flag Instructions:

The beginning of the heritage festival on _____ starts with the entire Third Grade parading into the cafeteria/MPR in our costumes and holding flags from our heritage countries. Using the attached blank flag outline, you are to re-create a flag of your heritage country on this form **using any materials that you want.** **DO NOT JUST COLOR THE FLAG.**

You are to submit both the doll and the +flag back to school on or before:

_____.
