

In the spirit of friendship

*The 3RD grade students will hold a
Secret Valentine Box Exchange*

Each student will complete a box questionnaire. (Attached to this note) This questionnaire will describe a few personal details about what the student likes.

Please complete and return the questionnaire by

_____.

Each student will draw a questionnaire from the hat. Their job will be to create a special Valentine box for the person they drew. (Shoe box or something of similar size) The box should be decorated according to the information given. (Ex-If a student likes sports, the box would have pictures and symbols dealing with various sports)

On February 14th the Secret Friendship box will be revealed! We will use them to collect our Valentines. Please be sure to cut a rectangle (at least 2in. x 5in.) in the top of the box so the students can put their Valentine's cards in the box.

Valentine cards

Please have your child put his or her name on the _____ the card. **DO NOT** put the name of the child receiving the Valentine on the card or envelope. This makes passing out easier for everyone. There are ____ students in our class. You don't need a class list because your child's name will be the only name on the

card. Please bring everything on **FEBRUARY 14TH** and please don't forget the child's Valentine box. The child is the one who gets hurt if everyone receives one and they don't.

Thank you so much

THIRD GRADE TEAM

Ms. Langston, Ms. Findley, Mrs. McClintock, Ms. Hwang, Mrs. McLamb,
Ms. Bailey, Ms. Herrera, Ms. Blair, Ms. Trevino
